President Mohammad Ashraf Ghani

# Afghan Refugees' Problems in Iran to be Resolved

KABUL - President Mohammad Ashraf Ghani has reassured an inclusive strategy is being worked out to resolve Afghan refugees' problems living in Iran.

A statement released by the Presidential Palace said that the president met a number of Afghan refugees at the Afghanistan Embassy in Tehran on Tuesday morning.

A number of refugees shared their problems with the president regarding their returning to Afghanistan. The president said: "The government will take all steps to facilitate the countrymen. Your safe return

is the prime duty of the government."

Afghanistan, he hoped was on path to stability and progress and building good relations with neighboring and regional states. He discussed early release of Afghan refugees jailed in Iran. Afghan refugees' problems in Iran would be resolved by delegation of both the countries in the next four months.

The statement added the president also met with a number of Afghan students following higher education ...*(More on P4)...(11)*
