Investments Significantly Decreased in Afghanistan

KABUL - Officials in Afghanistan Investments Supports Agency AISA have stated that investments in different aspects have been decreased in Afghanistan in past 9 months comparing to last year. Head of the following departments added that investments in all aspects specially

in construction sectors has been decreased. Mohammad Qurban Haqjo head of AISA said, "26% of investments has been decreased in past 9 months comparing to last year, but in construction sector 58% decreased." Head of the Afghanistan investment ...*(More on P4)...(6)*

14 Civilians Held Hostage by Gunmen Released in Ghazni

GHAZNI CITY - 14 civilians who were kidnapped by a group of unidentified gunmen from Khak-e-Afghan District of southern Zabul province have been released. The 14 people, all members of the same family, were reportedly taken to Jaghori District of neighboring Ghazni province. Officials say release of the hostages was secured this morning after joint efforts by the provincial councils of both provinces and some members ...*(More on P4)...(7)*

Security Forces Rebuff Taliban Attack on Barg-E-Matal District

KABUL - Afghan security forces have rebuffed a coordinated attack of Taliban militants on Barg-e-Matal District of eastern Nooristan province, Ministry of Defense (MoD) and the province's governor said on Saturday. A statement released by MoD states that group of militants

launched a coordinated attack on security posts in Barg-e-Matal District around 05:00 am, adding that security forces responded to the assault leaving several attackers killed and wounded. MoD statement does not contain specific number of the ...*(More on P4)...(8)*

Adult Cardiac Programme Inaugurated at FMIC

KABUL - FMIC has introduced a cardiac surgery programme for adults. For the first time, people with heart problems can receive high quality specialized treatment and world class care in Af-

ghanistan. FMIC's experienced cardiologists, backed by a state of the art cardiac catheterization laboratory and a 17-bed facility, will be able to treat patients requiring ...*(More on P4)...(9)*
