Taurus (Apr.21-May 20)

Sep 4, 2019 - Watch out for the green-eyed monster today, Taurus. It can rear up before you even say the word "jealousy" if you're not on your guard. Many situations that cause this feeling are born of insecurity. If you aren't secure in your job, relationship, or family, and feel threatened by someone else, it's time to take a look at the reason. Look for answers rather than lash out.

Gemini (May 21-June 20)

Sep 4, 2019 - You may feel insecure about your appearance today, Gemini. This can be a vicious cycle, and the end result is almost always negative. Rather than picking yourself to pieces, find ways to accept your looks. Whether it's your weight, age, or anything else, if you can't accept yourself as you are, you'll always find something wrong no matter how many changes you make.

Cancer (June 21-July 20)

Sep 4, 2019 - Jealousy might rear its head today, Cancer. The key to coping with it is to understand why you feel insecure. If you're jealous of a partner, why is this? Is it because you don't feel recognized for your contributions? Examine the cause of jealousy. It's almost always a symptom of a deeper problem.
