

Anti-Polio Drive Targeting 6.4m Children Starts Today

KABUL - A five-day anti-polio vaccination campaign will be launched today (Monday) targeting 6.4 million children under the age of five years in 27 high-risk provinces, mainly in Kandahar and Nangarhar.

The campaign follows several new cases in both the regions. Last week, a 14-month-old boy from Loyawala was confirmed to have polio and will be permanently paralysed --- the 14th case in Afghanistan, and the 9th case in the southern region.

"In Afghanistan, the efforts for polio eradication have been intensified more than ever. The Ministry of Public Health and its health

partners are committed to ending this disease. But what we need is the solid commitment and necessary cooperation of the community," said Public Health Minister...*(More on P6)...(9)*

Afghan Forces Thwart Deadly Bomb Explosion in Capital Kabul

KABUL - The Afghan security forces have thwarted a deadly bomb explosion in capital by seizing an Improvised Explosive Device (IED) planted on a roadside.

The Ministry of Interior (MoI) in a statement said the security forces discovered and defused an Improvised Explosive Device planted on a roadside in Dehsabz district.

The statement further added that the bomb was discovered and defused at around 7:30am local time Yesterday.

The anti-government armed militant groups including Tal-

iban militants have not commented regarding the report so far.

Taliban and other militants often use IED as the weapon of their choice to target the security forces and government but in majority of such attacks ordinary civilians are targeted, besides such attacks often claims the lives of the militants as well.

The UN Assistance Mission in Afghanistan (UNAMA) in its latest report stated that 1,692 civilians were killed in the first six months of 2018.
